SCHOLARSHIPS FOR THE SCIENTIFIC STUDY OF SAMSKRIT BY INDIANS—1919.

Two State scholarships for the scientific study of Samskrit by Indians will be awarded in 1919. The scholarships will be of the annual value of £200 each, and will be tenable in Europe for a period of two years. The scholarship holders will be required to pay their own living expenses. The value of the scholarships will be raised to £250 each a year in case the scholarship-holders be admitted to a college at Oxford or Cambridge. The Secretary of State will decide the course of study of each scholarship-holder.

3. The scholarships will be open to well-qualified students with previous taste for Sanskrit studies and to gentlemen already employed as Professors of Samskrit in India.

Some elementary knowledge of French and German is desirable if possible to be acquired by the scholar before leaving India.

In selecting the scholars regard will be paid to the following considerations. As the vast range of Sanskrit literature makes it necessary for a scholar to select some special field of Sanskrit learning in which to specialise, the studies of the special branch of study should be made in India and the previous necessary studies completed before the scholar leaves for Europe. Accordingly if a scholar wishes to specialise on—

(a) *Yoga* or philosophy, he should have some knowledge of Latin and Greek;

(b) *Philosophy*, he should have studied one of the systems of Indian philosophy in its original texts and have read some *Yoga* and *Aristotle*;

(c) *Post-Vedic literature*, his studies should have extended considerably beyond the limits of the works prescribed by the M.A. examination of an Indian University.

4. Before a State scholar leaves India to take up his scholarship, his parents or guardian will be required to state that he has deposited with the Secretary for Indian Education in London a sum of £25 for initial expenses.

5. Candidates desiring to apply for the scholarships should submit their applications to the Director of Public Instruction as soon as reach this office before the 1st March 1919.

Applications should give detailed information on the following points:—

(1) Educational qualifications, general and special.

(2) Present occupation.

(3) Age.

(4) Physical frame.

(5) Native place and time or convenience to which candidate belongs.

(6) Whether candidate has the consent of his parents or guardian to proceed to Europe.

(7) Address in full.

(8) Subject in which candidate wishes to specialise.

6. Certificate of merit and character and a written understanding that the applicant if awarded a scholarship will, during its tenure, devote himself exclusively to the study of the subject for which the scholarship will be awarded should accompany the application.

7. Further particulars may be obtained by reference to the notification relating to State scholarships, published in the *Post St. George Gazette*, Part I-B, dated 16th March 1918.

This figure represents the amount of cotton which actually came forward as pressed or milled, and to this must be added something for local consumption by hand spinners, etc., in order to obtain the total crop. It may be estimated that the total crop in 1937-38 was not more than 420,000 bales. The current year's estimate therefore records an increase of 48.6 per cent over the 1937-38 crop.

Certificates.

20. Upon the applicant being admitted by the High Court, the Registrar of the High Court shall enter his name to be entered in the proper register, and shall issue to him a certificate as required by section 7 of Act XXIII of 1879, authorising him to practice, up to the end of the calendar year, in the Courts specified therein.

Provided that—

(b) in no certificate issued to a Pleader of the second grade shall Courts in more than one district be specified.

On the renewal of certificates, except with the special sanction of the High Court, those districts and Courts only shall be entered which were entered in the certificate in the preceding year subject to the foregoing proviso.

21. The certificate shall bear the number assigned to it in the register and shall be signed by the Registrar and forwarded to the District Judge to be delivered to the applicant.

The certificate shall be taken to be authentic and valid in the Courts specified therein. The holder may take it to any Court or Courts mentioned, and may, with the approval of the presiding Judge, be sworn in such Courts. The approval should not be withheld, unless the Judge is aware of some dishonesty which, in his judgment, affects the professional character of the applicant; and in any case in which evidence is adduced, the fact and the reasons for it should be communicated forthwith to the High Court.

The prescribed form will thereupon be posted in the High Court on the stamp paper and there will be returned to the District Courts for use in the applications. In case an applicant obtains more than a single stamp paper for his renewed certificate, the paper of the highest value alone must be sent to the High Court with the words first or second grade Pleader, as the case may be, written on the back.

Forwarding the receipt of the renewed certificate, practitioners may continue to practice, subject to such provisions as to distribution in the District Judge may think fit to prescribe.

No refund of examination fees will be granted except in cases in which the candidate shall have been declared disqualified to appear at the examination.

Refunds of admission (formerly law) fees may be granted at any time by the High Court or its own motion or on reference from a District Judge. Refunds of examination fees may be granted at any time after the candidate is declared by the Practising Examination Board to be ineligible for the examination.

Functio.

24. If any person, having passed the examination entitling him to be admitted and enrolled as a Pleader, shall fail to apply for such admission and enrolment for a period of not less than the time of passing the examination, he shall not be admitted and enrolled, except by special order of the High Court.

25. If any person, having obtained a certificate, shall fail to renew it for a period of two years, he shall not be entitled to have it renewed, without the orders of the High Court, and shall be required to produce satisfactory testimonials to his character during the interim.

§ 1-26. The column of the Barometer is twenty-two feet above the level of the sea, and the pressure at the zero gauge is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since January 1st is 0.27 inch, the average due for the same period being 1.40 inches.
